Do you want to use WhatsApp to spread the word about Washington HAF? Great! Here are some sample messages you can copy and adapt:

Sample Message #1 (Long Version):

Hi, it's **[your name]** from **[your organization]**. No need to respond to this in the group chat because it's kind of a sensitive topic. But I wanted to let everyone know about this new program for people who are struggling to pay their mortgage. If you or anyone you know is in that situation, please tell them about the Washington Homeowner Assistance Fund (also called Washington HAF). The best thing to do is call their Homeownership Hotline at 1-877-894-4663 so they can figure out the best way to help you, whether that's with funding or legal aid, etc. We checked and it is completely free, confidential, and safe to call. Support is available in over 200 languages, and you do NOT have to be a U.S. citizen to apply. There are a lot of scams out there, but this is not one of them! If you don't feel comfortable calling the hotline right away, you can find out more at [washingtonhaf.org](https://www.washingtonhaf.org).
